

# CONTEMPORARY SALIVARY GLAND SURGERY

with Open and Sialendoscopic Live cases

Ljubljana, Slovenia, EU  
19. - 21. April 2018

Univerza v Ljubljani  
*Medicinska* fakulteta

Dear Participant,

Welcome to 1st Contemporary Salivary Gland Surgery 2018 at UMC Ljubljana, Slovenia. We are proud to present our renowned faculty with professor Francis Marchal from Geneva.

End of April might be warm up to 20 degrees C but mornings are rather cold with 4-8 degrees C (sure, it depends where you initially live). More accurate longterm weather prediction can be found here: <https://www.accuweather.com/en/si/ljubljana/299198/april-weather/299198>

Our venue starts on 19th of April at 08.00 on location 1: UMC Ljubljana, Department of Otorhinolaryngology and Cervicofacial Surgery. We will end the day at 18.00 and have course dinner starting around 19.30. Dress code is casual or smart casual.

The second day will start at 08.00 on location 1: UMC Ljubljana, Department of Otorhinolaryngology and Cervicofacial Surgery.

We will end the day at 18.00. Rest of the evening is free for you to enjoy the sights and cosy metropolitan life of Slovenian capital.

The third day will start at 07.45 on location 2: Medical Faculty, Department of Anatomy, K1 (elevators) for hands-on-course.

We will end the day and the meeting at 16.00 with Certificate Hand Out.

President of the Organising Committee

Aleksandar Aničin

To organise the event from a less formal perspective, we would like to ask you to share with us your particular demands regarding food.

Do you prefer Halal, Kosher, Vegan or Vegetarian food?

Please share that information with us, directly through our e-mail ([info@salivary-ljubljana.com](mailto:info@salivary-ljubljana.com))

We would like to ask you to check our anonymous attendee's survey, available at <https://docs.google.com/forms/d/e/1FAIpQLSf9Rh5jqiEYO8tj9IN7pHpVThkTB7ntKNzDwnKGYdsK6FxSbw/viewform>

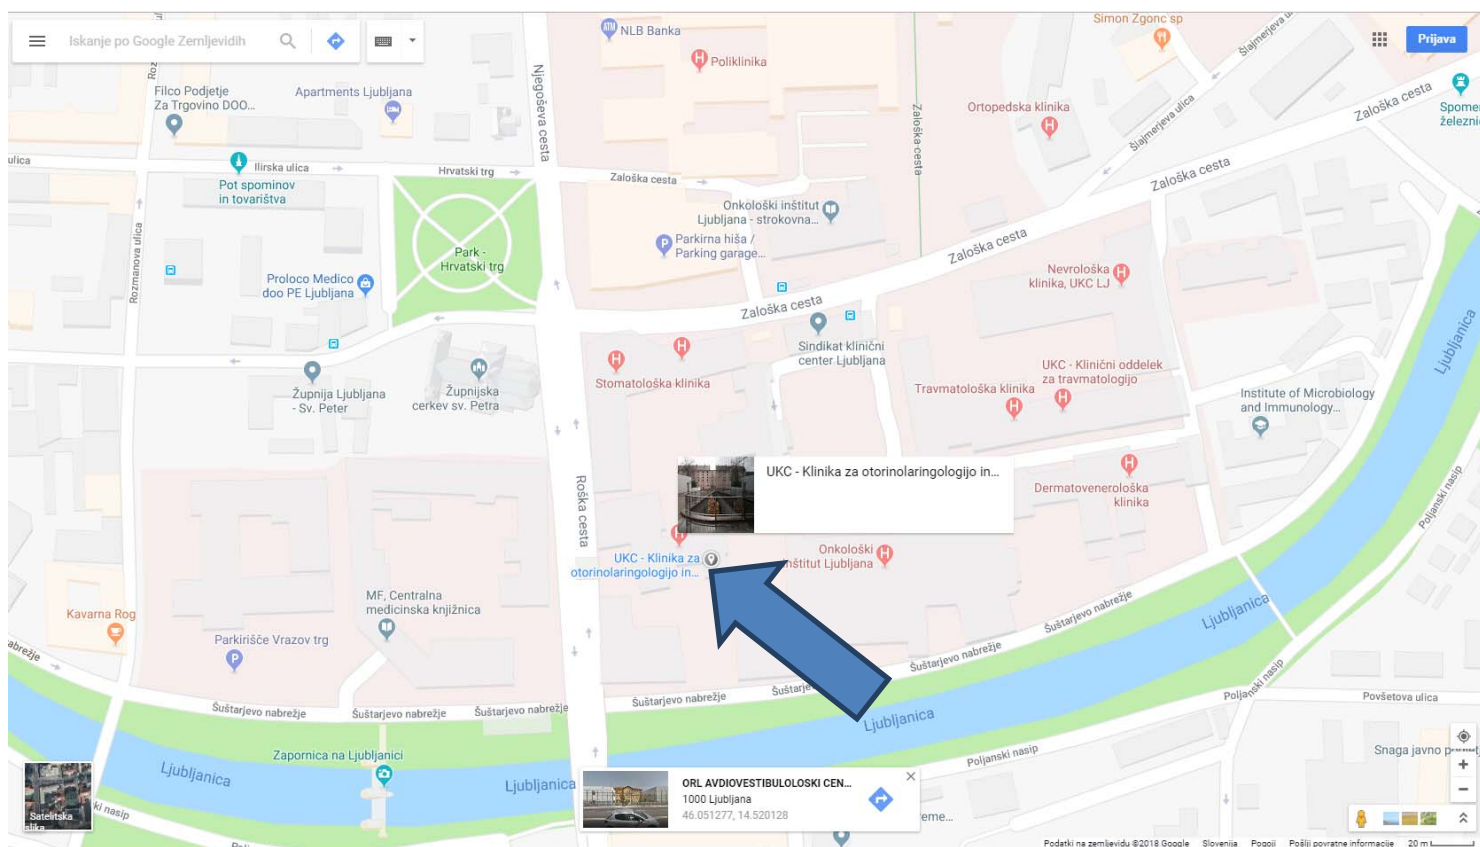

Due to long URL syntax, the link has been sent to provided e-mail.

Due to work on human tissue, we will provide the required forms binding you as attendees and us as the organiser (legal specimens, tested human material – HIV, Hepatitis) before the start of the third day.

Organisers and the affiliated institutions or sponsors are not to be held responsible for any damage to attendees or their equipment during the event. Visas or any other legally required certificate are the responsibility of the attendee.

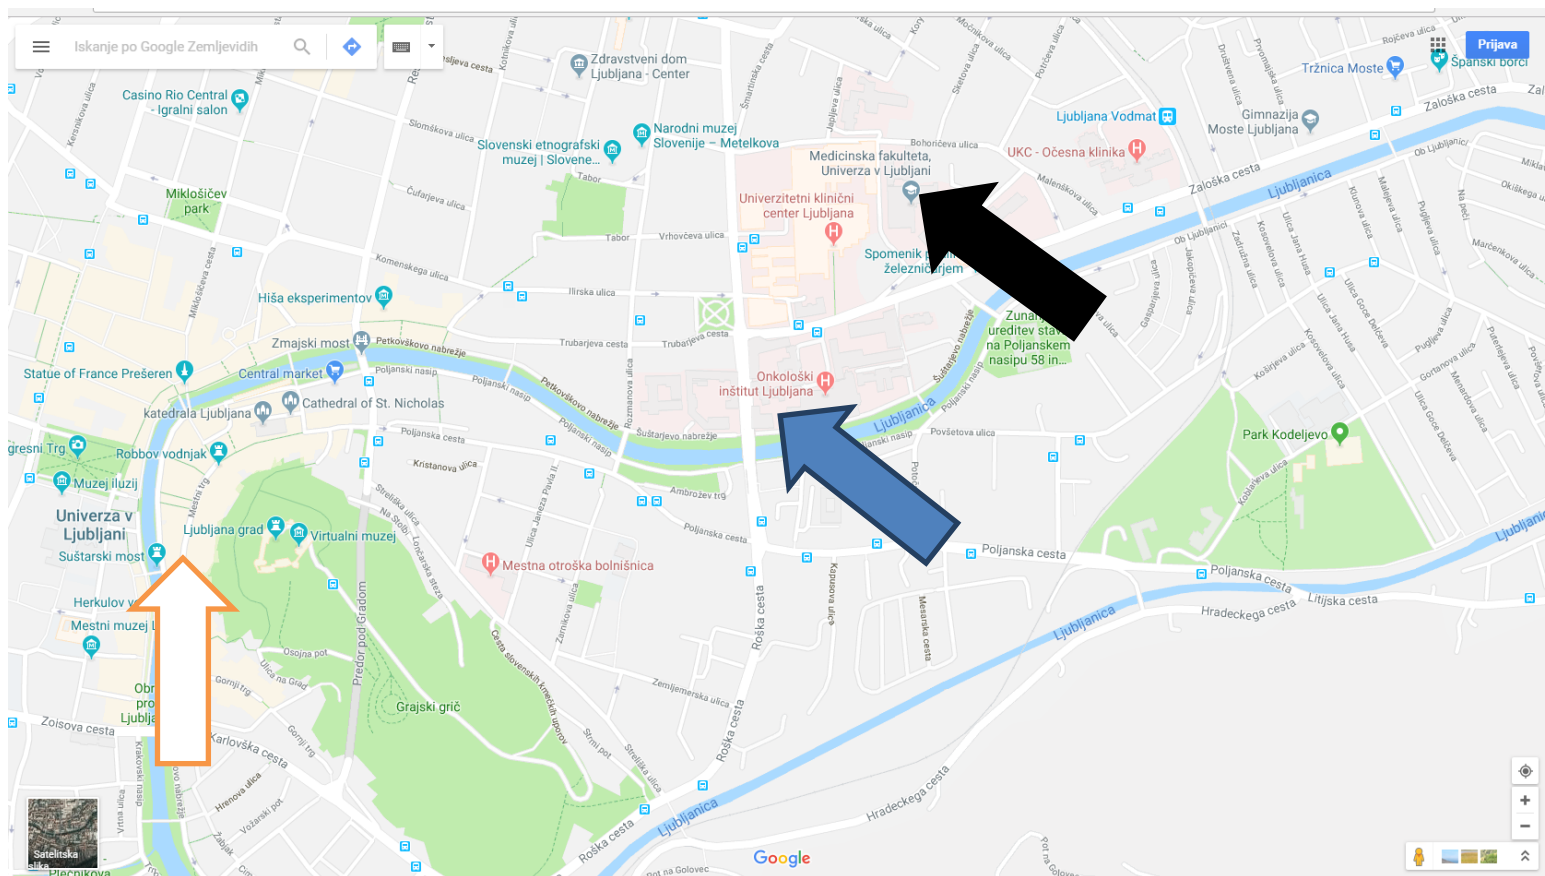

# Contemporary Salivary Gland Surgery 2018, Ljubljana, UMC Ljubljana, 19th – 21st of April (GPS Coordinates)

Blue arrow is pointing at location 1: the Department of Otorhinolaryngology, UMC Ljubljana, Zaloška 2, Ljubljana (46.051313, 14.520030).

Blue arrow (46.051313, 14.520030) is pointing at the Department of Otorhinolaryngology, UMC Ljubljana, Zaloska 2, Ljubljana. Black arrow (46.054380, 14.523195) pointing at location 2: the Medical faculty, Korytkova 2, Ljubljana. The walk from first to the second location is around 5 minutes at a slow pace. The white arrow is old city of Ljubljana, reachable by an easy walk along riverside taking around 10-15 minutes. With sunny April weather a marvellous walk at any time of day.
